

# Retinol Complete® 0.5 and 1.0

For reduced appearance of fine lines and wrinkles

## PRODUCT FACT SHEET

packaging size (retail)	professional size	trial size	sample available	product pH level	product should last
30ml bottle	NA	15ml (0.5)	NA	Skin-Neutral	3-4 months

## Primary Benefits

Technologically advanced anti-ageing serum for reducing the appearance of fine lines and wrinkles. Brightens, evens skin tone and improves texture. Boosts skin's hydration level to help combat the dryness associated with Retinol.

## Points of Difference

Contains a substantial amount of encapsulated Retinol for time-released delivery. Bakuchiol, from the seeds of the Psoralea corylifolia plant, provides broad-spectrum antioxidant benefits and helps stabilise the Retinol for improved function in the skin. Ophiopogon japonicus Root Extract helps the skin boost its own levels of Natural Moisturising Factor (NMF) and reduces Transepidermal Water Loss (TEWL). Sesame Extract helps plump the skin and smooth texture.

## Who Benefits

All skin types especially mature and oily/combo skin. Ideal for those who cannot tolerate prescription strength Retinoids.

## How to Use

Use only at night. After cleansing, dispense one to two pumps on back of hand. Apply on face two to three times per week in PM, avoiding the eye area. Increase usage as tolerated.

Before using the 1.0% Retinol strength product, consult your skincare professional to determine frequency of application. A broad-spectrum sunscreen is recommended while using this product.

### Retinol Complete® 0.5 Ingredients

WATER (AQUA), GLYCERYL STEARATE, ISOSORBIDE DICAPRYLATE, GLYCERIN, CYCLOPENTASILOXANE, ETHYLHEXYL PALMITATE, CAPRYLIC/CAPRIC TRIGLYCERIDE, ALLYL METHACRYLATES CROSSPOLYMER, PEG-100 STEARATE, BAKUCHIOL, BIOSACCHARIDE GUM-1, RETINOL, UBIQUINONE, TETRAHEXYLDECYL ASCORBATE, SQUALANE, OPHIOPOGON JAPONICUS ROOT EXTRACT, GLYCERYL CAPRYLATE, TOCOPHEROL, PHENOXYETHANOL, DISODIUM EDTA, CETYL ALCOHOL, SESAMUM INDICUM (SESAME) SEED EXTRACT, ACRYLATES/ C10-30 ALKYL ACRYLATE CROSSPOLYMER, POLYSORBATE 20, BUTYLENE GLYCOL, CHLORPHENESIN, TRIETHANOLAMINE, XANTHAN GUM, TOCOPHERYL ACETATE, BENZOIC ACID, SORBIC ACID, DIMETHYL ISOSORBIDE, FRAGRANCE (PARFUM).

### Retinol Complete® 1.0 Ingredients

WATER (AQUA), GLYCERYL STEARATE, ALLYL METHACRYLATES CROSSPOLYMER, ISOSORBIDE DICAPRYLATE, GLYCERIN, CYCLOPENTASILOXANE, ETHYLHEXYL PALMITATE, CAPRYLIC/CAPRIC TRIGLYCERIDE, PEG-100 STEARATE, BAKUCHIOL, BIOSACCHARIDE GUM-1, RETINOL, UBIQUINONE, TETRAHEXYLDECYL ASCORBATE, SQUALANE, OPHIOPOGON JAPONICUS ROOT EXTRACT, GLYCERYL CAPRYLATE, TOCOPHEROL, PHENOXYETHANOL, DISODIUM EDTA, CETYL ALCOHOL, SESAMUM INDICUM (SESAME) SEED EXTRACT, ACRYLATES/ C10-30 ALKYL ACRYLATE CROSSPOLYMER, POLYSORBATE 20, BUTYLENE GLYCOL, CHLORPHENESIN, TRIETHANOLAMINE, XANTHAN GUM, TOCOPHERYL ACETATE, BENZOIC ACID, SORBIC ACID, DIMETHYL ISOSORBIDE, FRAGRANCE (PARFUM).

# Retinol Complete® 0.5 and 1.0

For reduced appearance of fine lines and wrinkles

## F R E Q U E N T L Y A S K E D Q U E S T I O N S

**1 Is Retinol the same as Retinoic Acid?** No. Retinoic Acid is a prescription drug in various forms and many cannot tolerate its side effects. Retinol, which is pure Vitamin A, is a less aggressive alternative that provides highly effective anti-ageing results. Retinol Complete® contains Retinol in a unique time-released delivery system to minimise irritation.

**2 Can Retinol help prevent premature signs of ageing?** Early use of products containing pure and stable Retinol will help to combat fine lines and wrinkles before they become noticeable. With consistent and continual use, Retinol is effective in fighting the signs of ageing.

**3 Will Retinol Complete® help to brighten skin?** Yes. The product is formulated to remove dead skin cells for a brighter, more youthful complexion. To achieve optimum skin brightening results, use Retinol Complete® with C+ Correcting Complex 30%® or Vitamin C Lotion 15/30 %.

**4 Does this product contain antioxidants?** Retinol Complete® contains Bakuchiol, a broad-spectrum antioxidant which also helps to stabilise the Retinol and enhance its effects. It also contains Vitamins C, E and Coenzyme Q10.

**5 Will Retinol Complete® cause skin to become dry?** Retinol may initially cause dryness and peeling in some skin types. However, Retinol Complete® contains two unique ingredients, which help keep the skin hydrated and allow the Retinol to function more effectively. Sesame Extract helps improve hydration and skin texture. Ophiopogon japonicus Root Extract reduces TEWL for long-term hydration.

**6 Can pregnant women use this product?** No. We do not recommend using Retinol Complete® while pregnant or breast-feeding. Studies have shown that high amounts of Vitamin A during pregnancy may have detrimental effects.

**7 Which other Revision Skincare products work well with Retinol Complete®?**

- Hydrating Serum
- Vitamin C Lotion 15% and 30%
- D·E·J Face Cream®
- C+ Correcting Complex 30%®
- Intellishade®
